PROUTY'S PLATFORM. (From the Bennington Banner.)

Candidate Prouty makes his attitude have left for a trip through New York pretty clear in a letter printed in this is State, after which they will go to Athel, sue. In the main his views are those of was the liberal man who thinks for himself. Elizabeth J. Niebel of Swanton. There are many who will not agree with morning at ten o'clock at the home of while it is apparently coming within a place, the Rev. E. G. Guthrie performing vers the referendum, but balks at the initiative and is a supporter of short term stend of a recall-on this issue advocating precisely what the Banner has been urging for several years. He is behind the times in favoring employers' liability instead of workmen's compensation as the latter is much better for both workingman and employer. On the tariff his answer is a little indefinite and incomplete, but of course it is impossible to cover a great question like the tariff in a and corporation control Mr. Prouty is or familiar ground and his views are thoroughly sound. The voters should read this letter from Mr. Prouty as it is evidently the platform on which he is a candidate for the Senate this year.

MUCH DELAY ALLEGED. (From the Ruttand News.)

It is difficult to understand the dilatoriness of the officials in Fair Haven in the case of the murderous assault some time contains an account of the rescue from Wednesday afternoon of Louis D. Pelkey spon his wife. The officers apparently took no cognizance of this terrible affair until late the next day, fully 24 hours a lifeguard. Mr. Gero is considered the after its occurrence. This, notwithstandthroughout the village during this entire time that a crime had been committed. An explanation at least would seem to be due from the officers of the law in Fair Haven. It is furthermore stated that the attending physician regarded fatally. What explanation has this physician to make of his fallure to at once

BEGINNING TO-DAY Final and Drastic Reductions on All

Women's Suits, Gats and Dresses

Every garment in our stocks must go. Further and final reductions have been made so as to insure a quick and decisive clearance of everything in Women's Outer Apparel

This is your opportunity—prices are much below the cost of the materials alone used in these garments. We have spared nothing, nor given any thought of values. We simply want to turn into cash everything in ready-towear garments, for it is a rigid rule here to never carry from season to season a single garment if price will move it.

Come this morning—come early, there are some of the choicest suits and dresses for early comers, but the last garments chosen are great bargains at these prices.

Slight charge for alterations-none on memorandum, all purchases final.
